TORONTO SMARTPHONE FILM FESTIVAL TO TAKE PLACE ON JUNE 15-17, 2017

(TORONTO – June 6, 2017) The Toronto Smartphone Film Festival (TSFF) has announced the event details for its upcoming festival. The 6th Annual TSFF will take place on June 15-17, 2017 at Eaton Lecture Theatre located in the Rogers Communications Centre. For the first time, TSFF is taking place over a 3-day period with a special feature presentation on the Closing Night.

Mingu Kim, the Executive Director of TSFF, shared his excitement on presenting the 6th Annual Festival that is taking place in just under 2 weeks. “What you are about to see during the festival is just mind blowing! You will be amazed to see what these filmmakers captured on their smartphones to turn them into films. With the smartphone technology on the rise, our festival is an inevitable piece of the artistic landscape of Toronto.”

This year, winners, out of the 25 final selections, will be chosen in 5 categories including the Best Canadian Film, the Best International Film, Best Emerging Filmmaker, Best Women in Film, and Audience Choice Award. The winners of the Best Canadian and International Films are to be each awarded \$1,000 CAD.
